PROFESSIONAL SUMMARY

Final-year Computer Science student with two years of hands-on experience designing client-facing materials, branded content, and marketing collateral across corporate, startup, and community settings. Currently produces graphics, campaign materials, and management presentation materials at KSM Management Consultants, and has built pitch decks, professional client quotations, and founding brand documentation as co-founder of a digital services company. Proficient in Canva and Adobe Creative Cloud, with a sharp eye for visual consistency and a track record of keeping brand identity coherent across formats — exactly the kind of proposal and presentation work a Client Acquisition team relies on.

CORE SKILLS & TOOLS

- Design Tools:** Canva, Adobe Creative Cloud, Microsoft Office Suite (proposal & presentation formatting)
